Dee & John Barnes

~The loss of a loved one is a time when the family accepts the condolences of friends which gives great solace to those suffering from the loss. That fact could never be more enhanced than receiving such from the wonderful brothers and sisters of the Faith Village Church of Christ. We were calmed by continual expressions, memorials, and deeds from every direction and every level of human kindness and respect. Among the many areas of special recognition were the food ministry, the visitations, the overall support of the total congregation and the singing. A guest said the A Capella singing sounded like a choir of Angels. We thanked God often for Bill Hudson's long life and now it is time to thank you for making his journey one of knowing great Christians that gather at Faith Village Church of Christ.
