Elders Announcement

The elders are very excited at the opportunity we have to spread the gospel in Wichita Falls and the surrounding area. We are looking at all the ideas, suggestions, and advice that was provided during our June 28 meeting. We are also actively working on a few of the ideas right now! We want this excitement to continue by letting the brethren know that if anyone has any idea or suggestion please don't keep it to yourself, let one of the elders or ministers know your idea. We are asking everyone to get involved in our evangelism efforts and to use those talents the Lord has given you to help plant and water the seeds of the kingdom. Brethren, thank you ahead of time for your service to His kingdom.
