Good News and Thanksgiving

-Robert Cabe's recent MRI has revealed that his medical condition has stabilized and he is doing well. He has finished his last chemotherapy session and will continue to have MRI scans every two months. Robert & Angie are happy and thankful with God's answered prayers and with the congregation who has been faithful in their prayers to Him. They are happy to be able to attend church again and to see all those who they have missed.

-We would like to thank everyone for all of the cards, emails, and prayers we have received from our Faith Village family. The loss of our loved one, Maxine Martin, has been made bearable because of the out -pouring of love we have received from you. ***Doug & Marsha Martin***
