Update and Thank You

I signed up for Hospice Home Care. Trips to oncology were wearing me out. The nurse practitioner and nurses will come to my home to treat me. I sneaked in to church one more time when my sisters were here a couple of weeks ago. It was so good to see them and those at church. I am still able to get around with a cane and walker and to fix my lunch if Monty doesn't make it home. They are both very good caregivers. Thank you for you cards and calls. Keep praying for my pain control and for all of my doctors and nurses.
In Christ, **Wynetta Weston**
