Prayer Request

-**Eddie and Linda Marinez's** daughter and son-in-law both have covid. Linda has requested prayers for herself as she also has it.

-**David Owen:** Debbie and I went to Dallas Presbyterian on Tuesday expecting me to come home the same day with 1-2 stents. After they did a cardiac cath, they determined I was not a candidate for stents because of the progression of the blockages since last October. However they did say that I needed a quadruple bypass. So, I will be going back down to Dallas Presbyterian this coming Wednesday to undergo a battery of tests and talk to the surgeon again. We really appreciate the outpouring of calls, texts, food and especially the prayers. I solicit your prayers that they can get me in quickly to perform the surgery as the surgeon told me on Tuesday that I was at a high risk to have a heart attack.

-**Mindy (Owen) West**: Prayers that she will recover quickly from the radiation treatments. Her next surgery will be about 6 months.

Kathy Peterman: Prayers for her sister-in-law whose daughter passed away last Sunday. She leaves behind a 5-year-old son.

-Joyce Scates has covid. Please pray for quick recovery and that Bob does not come down with it.
